December 2025 Edition

## Mayor's Note:

As I reflect on this past year, I am filled with gratitude for the many people who help make Peru a special place to call home. This season reminds us that our greatest strength has always been our sense of community.

The new year brings a fresh start and a new opportunity to focus on what we can achieve when we come together. Let's channel our energy into the work that unites us: supporting local businesses, caring for our neighbors, and participating in the betterment of Peru.

My hope for the coming year is that we choose collaboration over conflict, and that we measure our success by the positive impact we make together.

From my family to yours, I wish you a joyful holiday season and a new year filled with peace, hope, and shared purpose.

~Katy Novak, Peru City Mayor

## Spotlight:

\*\* Feeding 44 \*\*

On the first Friday of every month, Peru State College hosts "Feeding 44," a program focused on providing food to our community members who may need it. In collaboration with the Food Bank of Lincoln, PSC has hosted this monthly mobile food distribution since 2013. Feeding 44 takes place from 11am to 12pm usually in the parking lot across from the AV Larson Art Building. In December, Feeding 44 will be on December 5th. Keep an eye on Peru State College's Facebook page for any updates.
